Your application

About you: Please provide a short summary of your details, including any experience or qualifications that you feel will help your business be a success

About the business: Give an outline of what industry you are entering, what sort of clients you will target and why you think it will work

Business plan: What are your dreams, where do you see this business going in the coming months and years
Share your ambitions and persuade us to support you

Barriers to entry: Sometimes we all hesitate...but do you know why?
If you can, tell us what specifically is holding you back rather than giving a wide sweeping answer

Additional comments: Please include here any other information that you want us to have

GDPR: I consent to CBSL to hold my data securely. We may contact you by post, SMS, phone and other electronic means.
We'll always treat your personal details with the utmost care. For more details on our privacy policy please visit our website.
